Bubel Aiken Foundation Grant

Grant Awarded to Kroc Center to Fund Recreational Opportunities

The Bubel/Aiken Foundation recently awarded a \$15,000 grant to The Salvation Army Kroc Center to implement Let's ALL Play-Inclusion in Recreational Programs. The grant will allow children with developmental disabilities to enjoy a successful summer camp experience in an inclusive setting.

The Let's ALL Play program kicked off in 2004, and now the Foundation supports 29 recreational programs across the country! Providing this grant to The Salvation Army Kroc Center is another exciting step toward TBAF's goal of full inclusion. Through the Let's ALL Play Program, the Foundation will support The Salvation Army Kroc Center's efforts to implement inclusive Day Camps by providing a program, model, funding and training.

Thank you for taking the time to learn more about The Salvation Army Kroc Center! We hope to see you soon!

Sincerely,

The Kroc Center Staff Family
